Attached hereto, please find a listing of all custom-mixer and manufacturers of commercial grade fertilizer doing business in the State of Illinois for the year 1984. The attached listing contains alphabetically company name and grade fertilizer. Rules and regulations established pursuant to the Illinois Commercial Fertilizer Act effective October 1965 states that manufacturers of single ingredient materials of fertilizer having more than one ingredient such as 18-46-00 etc., which are designed for use in the manufacture of custom-mix fertilizer, either dry or liquid, are to exercise their rights as free exchange among manufacturers and are not to pay inspection fee on such materials. Invoices as to registered custom-mixers shall bear information to the registrant that related materials are not reported and State of Illinois inspection fees are not paid. Any person receiving and distributing such materials in the form of custom-mix fertilizer shall:

- (1) Register annually with the Director accompanied by a fee of \$25.00 unless each mixture is mixed at a fee of \$5.00 per mixture.
- (2) Report same each 30 days excluding Saturdays and Sundays by submitting your sales on forms supplied by the Director or a data processing print-out.
- (3) Semi-annually complete form and pay inspection fee on all sales reported.

All custom-mixers are classified as manufacturers and should buy their materials as stated in the section quoted, free exchange among manufacturers. Report their total sales on the 30 day report. Report and pay inspection fees on the semi-annual tonnage report.

This is the final listing for the year 1984. If I or any of my staff can be of further service to you, please feel free to call or write my office any time.

Very truly yours,

Wayne W. Behrns
Bureau Chief
